DANCER ETIQUETTE

A few rules of the road (dance floor)

Remember, we are much more than just a dance. We are a social function and have an obligation to deal with others in a way that will facilitate friendship and enjoyment for all. Many of the rules for dancers seem obvious and when dealing with others would be considered "common sense". A few though are peculiar to our activity. It's always a good idea to check these over before the dance. It will make everyone's dance experience delightful.

Wear a name badge. There are a lot of people to meet and badges help refresh the memory. Make an effort to greet fellow dancers and visitors

No Alcohol Before The Dance: Only another person that is under the influence of alcohol could tolerate someone that is drunk. Aside from the obvious inability to perform the dance movements, the odors associated with drinking are unacceptable. Leave the drinking for after the dance.

Clean Body & Clothing: Speaking of odors, square dancing is a vigorous exercise and can result in a lot of perspiring (by both men and women). Fresh, wet perspiration on "dried sweat" activates the odors. Be sure that your clothes are freshly laundered. It is very important that we begin the dance with clean clothes.

Fill The Squares Quickly: When the music starts that means it's time to dance. It is advisable to arrange for a partner prior to "squaring up". Join the first square you come to. It's not polite to pass a square that needs a couple in order to join a square of friends, club members, or better dancers. It's also not polite to walk through the center of a square in order to join it, walk around. If all the squares are full, raise your hand displaying the number of couples needed by an equal number of fingers. The caller will see you and encourage others to join your square.

Never Leave A Square: it is an insult to the members of a square if you leave it before the tip ends and you have taken the time to thank everyone. This is especially bad if you leave one square to join another. Of course this doesn't apply in the case of an emergency. In an emergency everyone will understand. After all, it's just a dance.

Be Gentle: By using the proper handhold without squeezing, pushing and pulling will ensure an enjoyable dance experience for everyone in the square.

At the end of the tip applaud the caller and always take the time to thank everyone in the square. Likewise, at the end of the dance, stop by the stage and thank the caller and cuer.

TVC Ambassador Badge Form

Each dancer/couple may use one form. Within 18 months from the start date, dancer(s) must attend: (1) dance at each TVC club (M & M's and Eager Beavers requirement is optional); and (2) two TVC-sponsored dances. Dancers are limited to one dance per night.

The form is to be dated and signed by the caller, cuer, or presiding officer of the club being visited during a club dance, Jamboree, or TVC-sponsored dance (including a Tri-Council dance that is sponsored by the TVC).

The completed form is to be given to your Club Delegate in order to be verified by the TVC. Badges will be awarded during Club or TVC dances.
